How to find us

Full information including detailed information can be found on our website in the frequently asked questions (FAQ) calvertkielder.org.uk

Arrival & Car Parking Facilities at Reception

Guests Check-in at reception which is level entry and accessible by all.

Lighting in the car park is good with signposts to the lodges and surrounding areas.

The entrance has automatic electric doors with glass awareness stripes.

There is good contrast between the walls, floors and doors.

There is a wheelchair accessible reception desk with a bell to alert staff and induction loop.

Main Entrance to Bradbury lodge

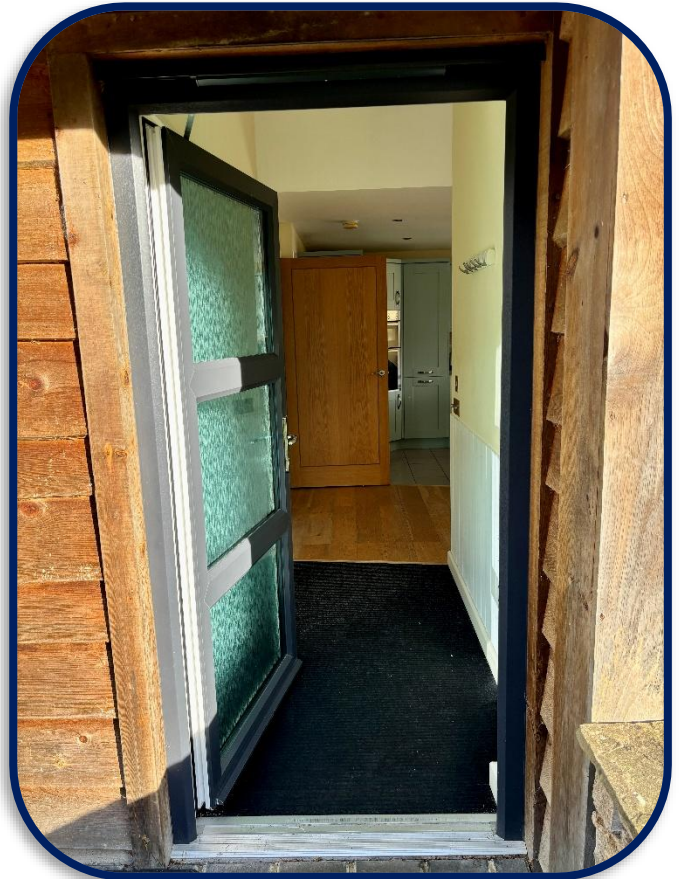

The Bradbury lodge is approx. 300m from our main centre building all on tarmac road. There is a tarmac car park and an undercover carport close to the main door.

There is a short paving slab approach to each lodge (1200mm wide) with gradient better than 1:20.

The front door has clear open door width 850mm, PVCU door handle pull to open, with a 20mm high thresh leading onto welcome mat and opening up into a hall area.

Lounge and Dining

There is a large open plan lounge and dining room area which opens out onto a decking terrace.

Sofa height 480mm from floor, dining chair height 500mm from floor. Dining table height 760mm from floor.

Kitchen

Modern designed kitchen with a wide entry of 1300mm. Standard height worktop throughout (900mm from floor) with undercounter dishwasher and washing machines. Fridge and freezer are integrated. The freezer is higher, 1200mm from the floor. There is an integrated oven with the handle at 1150mm and controls at 1530mm.

Double Bedroom

On the ground floor there is a double bedroom with a queen sized bed. The bedroom is accessed from the hallway.

All soft furnishings and bedding are non allergenic.

Bedroom clear open door width is 860mm, door handle height 900mm from floor.

Bedrooms mattress height 610mm and clothes hanger rail in the sliding door cupboards 1680mm from floor.

There is a hidden integrated
integra lift in cupboards
surrounding the bed. The hoist is
rated to lift up to 230kg

Ensuite bathroom

The bedroom has an ensuite bathroom which also contains a steam room.

The door access to the ensuite has a clear door access of 860mm

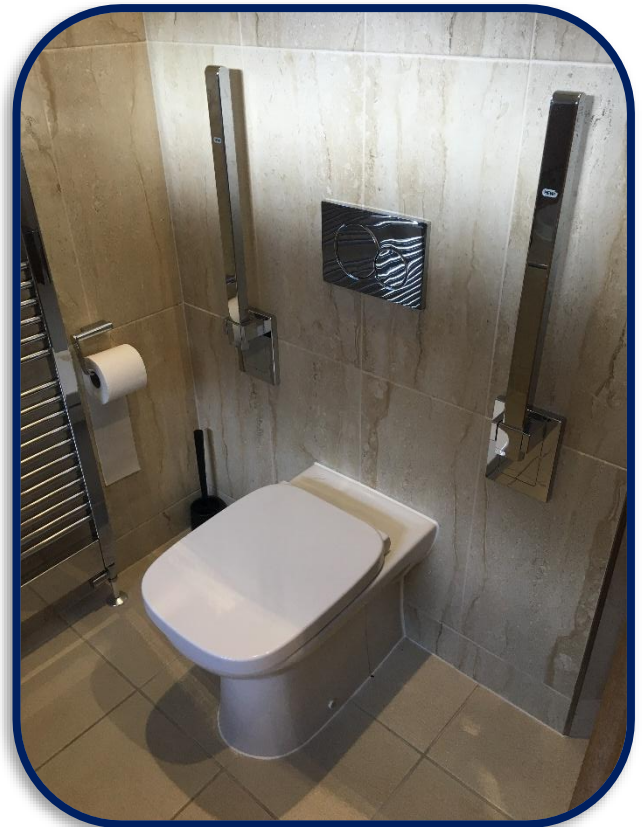

The toilet height is 450mm and the sink height is 790mm from the floor.

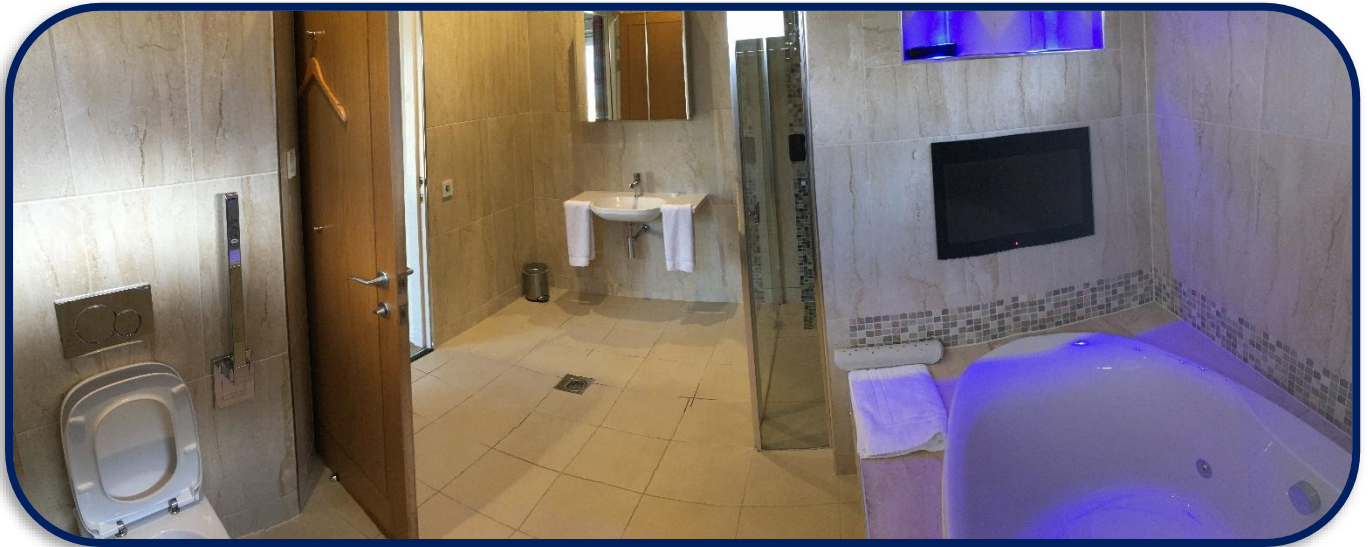

There are grab rails all around the toilet, shower and sink and a shower chair is provided in the lodge.

The bath edge is 550mm from the floor with an additional lip of 50mm into the bath itself

The bathroom cabinet is 1280mm from the floor

The steam room is accessed through a 790mm swinging door but practical space is limited to 740mm width by the built in seat. The seat is 460mm from the floor.

Bedroom 2 – twin room

There is a small bedroom with very limited space for moving around. It has twin smaller sized beds (900mm wide)

The space is limited in the room. The door has clear access of 860mm.

The end of the bed to wall gap is 600mm

The gap between the beds is 200mm

The bed to cupboard space is 500mm

Shower room

There is a small toilet and shower on the ground floor accessed from the main hallway a clear door access of 860mm

The toilet height is 450mm and the sink height is 820mm from the floor. The shower opening is 760mm wide. There are grab rails in this toilet.

Outdoor Space

Accessed from the lounge by a sliding patio door is a decking area which also has a hot tub, outdoor dining table and a BBQ for guest use.

The door has an opening of 2500mm with threshold of 30mm inside and 60mm outside.

We have a gantry and hoist system available for accessing the hot tub – please ask for details.

Surrounding Site

All paths to main centre are tarmac or paving and our main centre is all level entry. Some paths are made up of compacted stone and assistance may be required for some wheel chair users.

We are situated in 4 acres of woodland.

We have gardens with picnic tables at the front of Reception and the back of the main centre.

There is a play area located near our zipwire which includes a nest swing suitable for ages 3-12 at height 470mm from the ground.

Outdoor lighting is good around the centre and lodges however we are located in a National Dark Skies Park where light pollution is very low, so some people may prefer to carry a torch when walking during the evening or after dark.

Other useful information

There is good lighting throughout the lodge with switches all 950mm from floor level, sockets 400mm from floor level in general areas.

Hygiene waste disposal can be accommodated; however you must use our supplier bags and fill them correctly. A small charge is made for this service by our supplier which we pass on to lodge guests.

Genuine Assistance Dogs welcome and no charge is made for their stay.

Travel Cot and High chair are available in the lodge. No bedding is supplied with the cots.

Mobile signal is patchy and unreliable but we have ultra fast Wifi in each Lodge.

Shopping – note there are very limited shopping areas nearby but ASDA and Tesco can deliver directly to your lodge. Please use postcode NE48 1BS and ensure booking name is used on delivery and if booked via 3rd party please confirm with us directly with your booking name and lodge number.
